Frontier®

\*Unlimited Digital Voice service is for typical residential, noncommercial. Calls to 411 incur additional charges.

<sup>^</sup>Multi-Device Security covers up to 10 devices. Must order new Frontier Internet service to receive \$6 off monthly charge.

For new residential Frontier Internet customers. Requires Auto Pay or \$5/mo fee applies. Effective January 2022, paper bill extra \$2.99/mo, NY and select customers excluded. Max speeds are wired. Wi-Fi, actual & average speeds vary. Performance details: [frontier.com/internetdisclosures](http://frontier.com/internetdisclosures). Activation (\$85) and other applicable charges, add'l services and taxes are extra & subject to change during & after the promo period. A \$10 fee applies when Internet is disconnected. Equipment return required at disconnection, up to \$100 per device if not returned. Unlimited Digital Voice requires Internet service to function. If Internet is canceled customer must subscribe to Unlimited Voice (non-Digital) service to retain Voice service. Your Frontier Digital Voice service, including 911 service, requires electrical or battery backup power to function. During a power outage, you may not be able to make calls, including to 911, without backup power for the Residential Gateway (RG) and/or the Optical Network Terminal (ONT), or an alternate means of calling. Optional battery backup can be purchased separately at [frontier.com/batterybackup](http://frontier.com/batterybackup). Service subject to availability. Cannot be combined with other offers. Other restrictions, Frontier policies and service terms apply.
